New Frontiers in Maternal-Fetal & Neonatal Care

Thursday & Friday | March 30 & 31, 2017
Embassy Suites, La Vista, NE | 12520 Westport Parkway

PROGRAM PURPOSE:
Examine maternal pregnancy complications and their effects on the fetus and newborn, using lectures and case presentations by both maternal-fetal and neonatal specialist teams.

Illustrate current, practical approaches to the diagnosis and treatment of neonatal issues.

REGISTRATION & INFORMATION ChildrensOmaha.org/ContinuingEd
